

[Retail Partner Sales- All Markets]
May 13, 2009

BillShrink Website

BillShrink.com – All RPS locations should use the billshrink website

Has your customer taken the T-Mobile Makeover?

Visit BillShrink.com – See your options, Save Money, It's Free!

The <http://2323.billshrink.com> site is now available for Retail Partner Sales.

Tips:

When prompted for the customer email ... Enter: DealerCode@dealer.tmobile.com
For example, your sub-dealer code 1234@dealer.tmobile.com

Use for Post-Pay customer rate plan comparison when your customer:

- √ Unsure which rate plan is the best value for them
- √ Undecided about carriers
- √ Concerns about signing up for service today
- √ Questions or concerns about how they use their phone

What does BillShrink.com do?

- √ Analyzes how, when, and where the customer uses their phone
- √ Recommends what it believes to be the best rate plan(s) for the customer from the four major wireless carriers (T-Mobile, AT&T, Verizon, Sprint)
- √ Compares postpaid service only, including voice plans, data plans, myFaves, and messaging features
