Port-In Offer
Customer credit for \$35 Activation Fee

Offer extended for June - Don't miss out !

For a limited time only, T-Mobile is offering customers who port-in a number a \$35 bill credit to offset the activation fee.

Offer Extended
For 2yr port-in customers
Available June 1- June 30

Port-in Offer Details

Customers who port in a number and activate on a 2Yr. Postpaid Contract at a dealer location will automatically receive a \$35 bill credit on eligible activations.

- 2Yr Postpaid Contract port in required
- Port in must be initiated between May 13th and June 30th
- \$35 credit per single line \$49.99 and higher or family plan \$79.99 and higher
- Only first two lines on family plan will receive bill credit
- **Port-ins completed through Customer Care are not eligible**

This offer differs from previous dealer port in credit offers in that the minimum MRC is \$49.99 for single line plans or minimum MRC of \$79.99 FamilyTime or myFaves for Family rate plans.

Please do not instruct your customers to call Customer Service to have credits applied to the accounts for these activations, as the credit will appear within 3 billing cycles.

Not available to the following customers: T-Mobile @Home activations, FlexPay Annual Contract, FlexPay Monthly Contract, Postpaid No Annual Contract, Port-ins completed through Customer Care, Puerto Rico customers
