T-Mobile July Renewals - 2yr required

No change in Payout on eligible Renewals \$34.99 and all lines \$69.99FT & Up

Renewals/Upgrades only paid when performed correctly via iCAM; "Select Rate Plan" 24months before selecting "Extend Contract Only"

Renewal business rules: A new handset must be used within 7 days of the upgrade/renewal and the IMEI that is entered in iCAM will be validated to be eligible for pay-out. No compensation when contract lengths are changed after the initial activation.

T-Mobile Prepaid

T-Mobile monitors Zero refill usage, measured over a ninety (90) day period. Please Note: 70% of you pre-pay activations MUST be refilled.

No commissions on prepay. PrePay activation kits & phones must be activated on PrePay ONLY.

SIMs & IMEIs (Handsets) NOT purchased through Choice Products & Services (arbitrage) are not eligible for commissions.
Commissions are not paid on SIMs or IMEIs from pre-paid kits that are activated as Post-pay or FLEXPAY.
 Downward Plan Migrations are subject to ChargeBack for the difference in commission and spiff paid on the original rate plan.

Standard Chargeback Rules Apply. See separate communications for detailed business rules, or call your commission specialist.
